FAIR USE CHECKLIST
(Required to Place Copyrighted Material on Blackboard)

This checklist must be completed and provided to the Information Technology department if a faculty member wishes to place any copyrighted material on Blackboard. The checklist helps in determining whether a projected educational use of copyrighted materials falls under “fair use” as stipulated by U.S. Copyright Law or requires payment for permission from the publisher.

In making your determination, please check all boxes that apply in the left and right columns. The information in the middle column can add weight to a decision favoring fair use if applicable, but it does not guarantee fair use applies.

If you find that you have marked more boxes in the left column than in the right column, then you can assume that fair use is justified. Sign this form and submit it to Information Technology staff whether you are placing the item on BlackBoard or IT will do it.

If the number of marked boxes in the two columns is equal or there are more marked boxes in the right column, then you should first check to see if the Seminary is covered by its agreement with the Copyright Clearance Center, and if not, either pay for your planned use at the Copyright Clearance Center or seek permission directly from the publisher for your planned use. (See “Guide to Seeking Copyright Permission” on the library’s website at http://library.upsem.edu/Pages/Copyright.html)

In all cases, faculty should complete this form, provide a signed copy to the IT department and retain a copy for their files.

Steps to Clearing Copyright

1. Use the “Fair Use Checklist” to determine if your use represents “fair use” – (the checklist is available on the library website at http://library.upsem.edu)

2. If the use appears NOT to represent “fair use” then seek copyright permission by using the Copyright Clearance Center (www.copyright.com/aclacademic) ¹
   a. Create an account the first time you visit this site
   b. Determine whether Union Seminary is covered through our arrangement with the Copyright Clearance Center
   c. If we are not covered, then pay for the use by invoice

3. Give the signed “Fair Use Checklist” to Lou McKinney whether you place material on Blackboard yourself or Lou does

4. If payment was necessary, give the Invoice to April Swofford who will charge the cost to your department

¹ Full instructions for how to navigate the Copyright Clearance Center at http://www.copyright.com can be found on Blackboard under “OFINE” in the folder for “Copyright Info.”
